

VIKRAMA SIMHAPURI UNIVERSITY; NELLORE

(Accredited with NAAC 'A' Grade CGPA 3.23)

Department of Marine Biology

&

Academy for Science Technology and Communication, Hyderabad

Jointly Organises

International Conference on

BLUE REVOLUTION: INNOVATIONS IN MARINE SYSTEMS

BRIMS-2025

20th-21st, January-2025

Jointly Organised by

Department of Marine Biology
Vikrama Simhapuri University, Nellore

Academy for Science Technology and Communication
Hyderabad

About the University:

Vikrama Simhapuri University, Nellore, came into being, by Act No. 29 of 2008 enacted by the Legislature of the State of Andhra Pradesh, fulfilling the Long-cherished dream of the people of Nellore district, re-christened Sri Potti Sri Ramulu Nellore district. The district was known as Vikrama Simhapuri University until 13th Century and later it came to be referred to as Nellore. The name Nellore has a Tamil origin as well. 'Nellu' in Tamil means paddy, indicating that the place is known for its rich harvest of paddy. Historically, the district was under the rule of Mouryas, Sathavahanas, Pallavas, Cholas, Kakatiyas, and Pandyan etc. thus the name Vikrama Simhapuri University suggests how time past is present and is carried forward hopefully into time future, by this new University.

Meanwhile the University Grants Commission conferred recognition on the degrees awarded by Vikrama Simhapuri University under Section 22 of the UGC Act vide its communication No.F.9.2/2010 (CPP-I/PU) dt.20 January 2010. Subsequently, the University is also sanctioned 2(f) and 12(b) Status by University Grants Commission. The university has also been accredited NAAC 'A' Grade with CGPA 3.2. The University is admitted as a full member into Association of Common Wealth Universities with its executive office in London, UK. The University is now one among 500 institutions across the world for having membership in the association. This provides the University to become a global player and an active academic associate in trans-global activities of immediacy and zest undertaken by the association from time to time.

About the Department of Marine Biology:

The importance of Marine Biology to the region having a vast coast line extending over 169 kms has been duly taken note of Nellore is famous for quality rice production and aquaculture. Nellore district is called "Shrimp Capital of India" due to its high production of cultured shrimp. Fishing is the major occupation in many of the coastal villages located around the Pulicot lake and coast line of the district. There are 93 coastal fishermen habitations involved in the fishing operations throughout the year. The Pulicot has rich flora and fauna diversity, which supports active commercial fisheries and a large and varied migratory bird population. Thus fishing sector of the district contributes a major share to national income. Other marine resources need to be taken into account in a comprehensive study of biological and physical oceanographic features of the region.

Students receive extensive and invaluable training in the conservation and management of the Bay of Bengal and Pulicot Lake ecosystem through intensive field work in marine and coastal waters.

Conference Objective

To foster interdisciplinary collaboration among scientists, technologists, and communication experts through networking, sharing advancements, discussing challenges, and promoting innovative research in marine systems.

Scope of the Conference

The conference will cover advancements in marine systems, interdisciplinary research integrating biology, engineering, environmental science, and IT, Sustainable practices and policies, AI and machine learning applications, effective communication strategies, and climate change impacts on marine ecosystems.

BRIMS-2025 conference focuses on the latest advancements in marine technology and systems. It brings together scientist, engineers, policy makers, and industry leaders to discuss innovative solutions and research aimed at addressing the critical challenges facing our oceans and marine environments.

Topics to be Covered

1. Marine Biotechnology: Innovations and applications in marine biotechnology.
2. Marine Robotics and Automation: Latest advancements in underwater robotics and automated systems.
3. Oceanography and Marine Meteorology: Recent research in physical and chemical oceanography and its implications.
4. Marine Environmental Monitoring: Techniques and technologies for monitoring marine environments.
5. Sustainable Fisheries and Aquaculture: Advances in sustainable fishing practices and aquaculture systems and Sea food processing technology and value addition
6. Marine Renewable Energy: Innovations in harnessing energy from ocean currents, tides, and waves.
7. Climate Change and Marine Systems: Impacts of climate change on marine ecosystems and technological adaptations.
8. Marine Data Science: Applications of big data, AI, and machine learning in marine research.
9. Marine Policy and Management: Current policies, management strategies, and regulatory frameworks.
10. Communication in Marine Sciences: Effective communication strategies for public outreach and education in marine sciences.

Call for Abstracts and Full length papers

Authors are invited to submit abstracts with 250 words minimum 4 key words for oral/poster presentation mentioning title, author's affiliation in MS Word, Times New Roman- size 12, 1.5 line spacing and send through: vsubirms2025@gmail.com

Best paper Presentation Awards

To encourage young participants, best paper presentation awards will be given for both oral and Poster presentations. Interested authors may kindly type on the top right corner of the abstract "For The Best Paper Presentation Award"

Proceedings

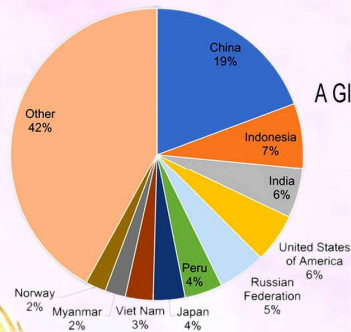

Selected full-length papers will be published in the form of proceedings with ISBN Number after the conference.

Important Dates

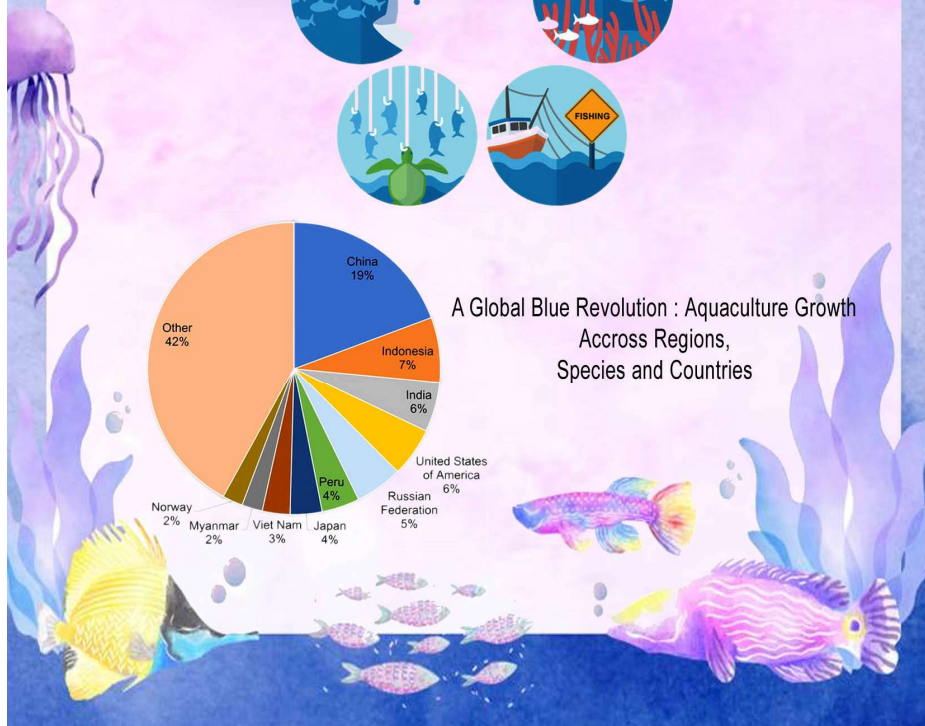

Abstract Submission & Registration: 05th January-2025

Full Paper Submission : 13th January-2025

Conference Dates : 20th-21st, January-2025

A Global Blue Revolution : Aquaculture Growth Across Regions, Species and Countries

International Scientific Advisory Committee

Dr. Shahram Dadgar

Head of Iranian Aquaculture Scientific Association

Roy Palmer

Founder & CEO, Association of International Seafood Professionals, Australia

Dr. Antonio Garza de Yta

COO Blue Aqua International Gulf LLC, Mexico

Dr. Nasser Ayaril

National Aquaculture Group, Saudi Arabia

National Scientific Advisory Committee

Sameer V. Kamath

Scientific Advisor to Defence Minister, Govt. of India

Dr. M. Ravichandran

Secretary Ministry of Earth Sciences, Govt. of India

Dr. G. Satheesh Reddy

Former Secretary DRDO, Scientific Adviser to Raksha Mantri

Dr. Y. Srinivasa Rao

Director-General, Naval Systems-DRDO

Dr. M. Rajeevan

Vice-Chancellor Atria University, Bangalore

Dr. Prakash Chauhan

Director, National Remote Sensing Centre, Hyderabad

Dr. Sunil Singh

Director, National Institute of Oceanography, Goa

Dr. T. Srinivas Kumar

Director-INCOIS, Hyderabad

Prof. K.S. Jagannadha Rao

Dept Biotechnology, K.L. University, Guntur

Prof. K.R.S. Sambasiva Rao

Vice Chancellor Mangalya university

Dr. Vinay K. Nandicoori

Director, Centre for Cellular & Molecular Biology, Hyd.

Dr. Ch. Srinivasa Rao

Director NAARAM, ICAR, Hyderabad

Dr. Kalchand Sain

Director Wadia Institute of Himalayan Geology.

Dr. N.V. Chalapathi Rao

Director, National Center for Earth Science Studies, Trivandrum

Dr. K. Srikrishna

Dean Sciences, GITAM University, Visakhapatnam

Dr. D. Raghunadha Rao

President, AP Akademi of Sciences, Amaravathi

Dr. C. Manikyamba

President, Academy for Science, Technology & Communication, Hyd

Prof. C. Kalavathi

Andhra University

Invited Speakers

Prof. Cris Carter

Academic Director, University Tasmania, Australia

Dr. Antonio Garza de Yta

COO Blue Aqua International Gulf LLC, Mexico

Dr. Purnima Jalihal

National Institute of Ocean Technology, Chennai

Dr. Mangesh U. Gauns

NIO, Goa

Prof. P. Sanker Ganesh

BITS, Hyderabad Campus

Dr. Uma Shankar

IIT, Madras

Dr. R. Sreevalse Kolathayar

NIT, Surathkal

Dr. I. Sanker Doraisami

Chief Scientist NIO, Goa

Dr. P.N. Vinayachandran

Indian Institute of Science, Bengalure

Dr. Idris

Chief Scientist, CCMB, Hyderabad

Dr. Susmite Dash

IIT, Madras

Dr. K.K. Vijayan

CMFRI, Kochi

Shrinibas Mohanty

DGM, Avanti Feeds Ltd.

Dr. Manoj M. Sharma

MD-Mayank Aquaculture Private Limited

Surat - Gujarat, India.

Ravi Kumar Yellanki

President

All India Shrimp Hatcheries Association

Prof. P. Hari Babu

Deepak Nexgen i Feed Pvt Ltd.

Dr. Amaraneni Ravi Kumar

Alpha Biologicals, Nellore.

Organizing Committee

Chief Patrons

Prof. S. Vijaya Bhaskara Rao

Honourable Vice-Chancellor, Vikrama Simhapuri University

Patrons

Dr. Ch. Mohan Rao

Professor-Emeritus, Life Sciences-BITS Hyderabad Campus

Dr. Podili Appa Rao

Former Vice Chancellor University of Hyderabad

Dr. K. Suneetha

Registrar, Vikrama Simhapuri University

Prof. Ch. Vijaya

Principal, VSU, College

Organizing Secretaries

Dr. Ch. Venkatrayulu

Associate Professor, Dept. of Marine Biology,
VS University College.

Sri. C.L. Narasimha Rao

Secretary, ASTC

Dr. M. Hanuma Reddy

Associate Professor & Head, Dept. of Marine Biology,
VS University College.

Convenor

Prof. Ch. Vijaya

Dept. of Marine Biology,

Members of the Organizing Committee

Prof. Ande Prasad

Director IQAC, VS University.

Dr. G.Vidya Sagar Reddy

Dept. of Biotechnology, VSU.

Prof. G. Vijaya Ananada Kumar Babu

Dean, Faculty of Sciences, VSU.

Dr. M. Sowjanya

Dept. of Marine Biology, VSU.

Prof. Suja S Nair

Dean, R&D, VSU.

Dr. G. Swapna

Dept. of Marine Biology, VSU.

Prof. T Veera Reddy

Principal, VSU College Kavali.

Dr. P.Thriveni

Head, Dept. of Chemistry, VSU.

Dr. Akepati Sivasankar Reddy

Head, Dept. of Physics, VSU.

Dr. G Mary Sandeepa

Head, Dept. of Biotechnology, VSU.

Dr. S.B. Sainath

Head, Dept. of Food Technology, VSU.

Dr.M. Suseela

Head, Dept. of Zoology, VSUC, Kavali.

REGISTRATION FORM

International Conference on
Blue Revolution: Innovations in Marine Systems

(BRIMS-2025)

20th-21st, January-2025
